

REMARKS

In response to the final Office Action mailed August 1, 2008, Applicants submitted an Amendment and Response Under 37 CFR 1.116, on September 30, 2008. On October 27, 2008 the US Patent and Trademark Office issued an Advisory Action indicating that the proposed Amendment and Response filed on September 30, 2008 raised new issues that would require further consideration and/or search. Accordingly, the submitted Amendment and Response Under 37 CFR 1.116 was not entered into the record.

Applicants submit herewith a Request for Continued Examination and request that the previously submitted unentered amendments be entered and that the accompanying Remarks be considered in response to the rejections raised in the final Office Action mailed August 1, 2008.

The amendments and remarks previously submitted on September 30, 2008 are believed to be fully responsive to the rejections raised by the Examiner in the final Office Action of August 1, 2008. Applicants believe that this application is in condition for allowance, and respectfully request passage of the application to issuance. If any further discussion of this matter would speed prosecution of this application, the Examiner is invited to call the undersigned at (434) 220-2866.

Respectfully submitted,
